

## Rice Refused New Trial

Thomas E. Kent, Crawford County Prosecutor, has announced that the Michigan State Court of Appeals in Lansing has denied the appeal of convicted murderer, Jack Edgar Rice. Rice was convicted on December 28, 1979, of murdering John Andrew Messenheimer and sentenced to life imprisonment.

During May, 1979, Mr. Rice filed a Motion for a New Trial alleging that the court had made an error. After extensive briefs were completed by Rice's attorney and Prosecutor Kent, the Motion was withdrawn. Subsequently, during July of 1979, Rice filed an appeal with the Michigan Court of Appeals in Lansing.

With the assistance of the Attorney General, Frank J. Kelley, Kent filed additional briefs and the matter was heard by the Court of Appeals during this past month. The Court of Appeals ruled favorably for the prosecution on all four of the issues raised by Rice's attorney.

The decision by the Court of Appeals means that the conviction and sentence will stand unless appealed by Rice to the Supreme Court. Kent indicated that both of Rice's attorneys have been paid by public funds and that, if another appeal is forthcoming, yet another court appointed attorney would most likely be appointed at taxpayer expense.

## Middle School Advisory Board Named

The crucial decision about the future of Grayling's Middle School will likely be made this year and at Monday night's special meeting of the school board, an Advisory Committee was named to come up with a recommendation by May 1st.

Committee members will include Jack Stockhaus, William Kraus, Donald Denton, Lorna Morse. Rounding out the group are Ruth Gruitch, Russell Hubbard, Bernadine Dosch and Fred Allen, Board members, Middle School teacher, Russell Phillips.

Middle School Principal Dale Nicholas, Asst. Supt. Paul Lerg and Superintendent Dr. William Diedrich will act in ex-officio capacities.

The Board of Education's charge to Middle School Renovation/Reconstruction Committee is to provide the Board of Education, by May 1st, with recommendations as to whether the present Middle School should be reconstructed or renovated.

## School State Aid Payments Announced

The Crawford AuSable School District will be receiving \$129,602 in State Aid and Title I Revenue on its next payment date of April 1st, according to a report released February 15th by Mitch Irwin, State Senator for the 37th District.

Irwin said \$84,002 of the total represents a State Aid payment and the balance, \$45,000 for Title I of the Elementary-Secondary Education Act of 1965.

## Seminar for the Elderly To Begin March 5th

Beginning on Wednesday, March 5th and continuing for two additional weeks, seminars for the elderly will be held to discuss the subject, "Living Single in a World Built for Two."

Discussion on the subject will be led by Merrily Lacasse, Cooperative Extension Service Home Economist, and will be held from 10:00 a.m. to 11:30 a.m. at the Senior Citizens Center.

Lora Gould, Center Director, invites all elderly citizens to the sessions, especially those in the community who are widowed or divorced.

## Sheriff Reports Fairly Quiet Weekend

Last week was "fairly quiet" for the sheriff's patrol, Sheriff Curt Haas reported on Monday, with 27 complaints investigated over and above other routine matters handled by the department.

Two personal injury accidents were reported, four property damage accidents, two larcenies and three incidents of malicious destruction. Other complaints checked were two hit & run accidents, an obscenity complaint, a snowmobile accident, a parole violation arrest and drunk & disorderly arrest. The department was also involved in an attempt to locate. The ambulance was called out on three occasions and the fire department responded to a chimney fire at a residence in the Harbor Beach Subdivision.

## Transportation Grant Approved For RSVP

The Crawford County Senior Volunteer Program (RSVP) has just received word that a grant in the amount of \$3,843 has been approved through the Offices of the Service To The Aging.

Lora Gould, Senior Citizens Director, said the grant will be used for transportation expenses for RSVP volunteers. Approximately 165 volunteers are members of the group, senior citizens providing services in a variety of ways to elderly citizens residing in the area.

According to Mrs. Gould, the grant was a special one applied for through the Lansing Office of the Service to the Aging department.

## Topical Fluoride Program

The letters sent home from the school with the fluoride card should have indicated the following information regarding the fact that the City of Grayling has had a fluoridated water supply since 1970.

District Health Department No. 1 will sponsor the topical fluoride program again this summer for area children who do not drink from the City of Grayling water supply and for certain children who have only recently moved into the community.

Three or four year old pre-

schoolers, second graders, fifth graders and eighth graders who drink from private wells or from non-fluoridated public water systems are eligible for the program and eighth graders who have lived in the community less than 7 years, and second graders and preschoolers with less than three years residence.

Those parents interested in having their children receive the topical fluoride but who do not have the necessary registration cards may contact the

## Monthly Meeting of Grayling Beautification Committee

The Grayling Beautification Committee met Wednesday, February 20th at 2:00 p.m. in the City Council Chambers. The third Wednesday of each month throughout the year, the group plans to meet to complete their objectives and plan future projects. Everyone is cordially invited and encouraged to attend.

A lumber contribution by John Stampf of Stampf Sawmill, was recently received and AuSable Acres volunteers have contributed more planters. When weather permits, these will be placed and trees

and flowers will be growing in them. Harrison Goodhue will prepare our publicity and keep our residents and visitors informed of committee activities through the news media. Last summer's wood chips project will be continued as well as further investigation of the Fish Hatchery property and several other areas.

We hope everyone will enjoy, appreciate and join in our community projects with their suggestions and contributions.

Let's make our area a "Glistening Grayling."

DEDICATE AMBULANCE—Crawford County's new ambulance arrived Friday and was on display Saturday afternoon for area residents at an Open House held at the county court house. According to Tony Doremire, Ambulance Co-ordinator, arrangements are being made for licensing and the new vehicle will be ready for service in about two weeks. Shown here are some of the Crawford County E.M.T.'s who were on hand Saturday for a brief dedication ceremony (left to right): Jim Gray, Pat Kucharek, Mike Hauxwell, Mahlon Riker and Jim Kraus. ## Grant Application Submitted Await Word on Housing Expansion For Seniors

By Joe Schrader

Eighteen additional housing units for Senior Citizens is anticipated for Grayling, providing final approval for the go-ahead is given by the Department of Housing and Urban Develop-

ment. Given the green light by the Grayling City Council to pursue the project, Lora Gould, Senior Citizens Director, has filed the necessary application forms and is now waiting for the grant request to make its way

through the HUD papermill.

Anticipating approval in about a month, the project will provide additional housing for senior citizens only, and would boost to 88 the number of units in the city.

Mrs. Gould said HUD offices in Grand Rapids and Detroit must act on the application before it is submitted to Washington for final approval. If OK'd, the formal announcement of the grant will come from Robert Davis, U.S. Congressman for the 11th District.

Housing accommodations for the elderly has grown substantially over the past two decades, with the original project opening in 1967 with 50 senior citizen units. In 1971, 20 more were added for a total of 70, its present size. Other modernization grants have also been received since the original project was built as well, Mrs. Gould said.

Much groundwork must be See Housing on Page 2

## CENTURY 21 to Campaign for Easter Seals

The staff at CENTURY 21 River Country Real Estate will be selling Easter egg coloring kits in support of Easter Seals in Crawford County. This program is in conjunction with a nationwide campaign by 7800 Century 21 offices, combining the efforts of over 80,000 Century 21 associates to raise \$1.1 million dollars for Easter Seals.

The kits are now on sale for \$1.00 at Century 21 located in Grayling on M-72 West, across from the West M-72 Industrial Plaza (formerly Bear Archery).

Pick up your kits today and tune in the national telethon on March 22-23 to watch your dollars count.

## Lovells Club To Meet

The Lovells Hook & Trigger Club will be holding their regular meeting Tuesday, March 4th at 7:30 p.m. in the Town Hall. The guest speaker will be John Byelick, a forest specialist. All are welcome to attend.

## Warning

"Range firing will be conducted by units of Michigan Air National Guard.

The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during period 27-29 Feb. 1, 4-11-15, 18-22 and 25-29 Mar 80.

High performance fighter aircraft will be firing on this range located at Camp Grayling during this period.

The range will be closed during the above dates and all persons are warned to stay out of the range area."

## Little Progress in County-AFSCME Talks

By Joe Schrader

Talks between the county and AFSCME (American Federation of State, County & Municipal Employees) representatives resumed last Thursday in the presence of State Mediator Robert Rombouts, however David Sabin, county negotiator, said Friday little progress had been made in reaching settlement on a new contract for nine court house employees.

No agreement was reached on any of three issues which appear to be blocking progress in the negotiations. The three stumbling blocks include make-up of the bargaining unit, arbitration procedures and economic issues. No meetings between the two parties are scheduled until Wednesday, March 12. Rombouts will also be present.

In a related matter, the county has received a stay of arbitration in the grievance filed by AFSCME employees over the question of whether Mrs. Nancy Krey, Deputy Clerk in the Clerk's Office, should be removed from the payroll for refusing to pay the union's service fee.

Containing the grievance was filed outside the established contractual deadline, Sabin filed for and received the stay of arbitration from visiting Circuit Court Judge E. Patrick Murray. The union filed for arbitration to have the dispute resolved by a third party and the American Arbitration Association was in the process of asking for an arbitrator selection when Judge Murray issued the relief.

Mrs. Krey refused to pay the service fee in June under the contract's so-called Agency Shop Provision and a grievance was filed November 21st. The county contends the matter is no longer arbitrable under still another contract provision which establishes time limitations for grievance filing. The provision requires that a complaint be filed within 10 days from the occurrence giving

rise to a grievance in order to be considered valid. Several months lapsed between the time Mrs. Krey discontinued payment of the service fee and filing of the grievance.

County employees have been working without a contract since January 18th when the extension from the original termination date of December 31st expired.

## Township Supports Per Capita Sharing

By B.J. Fowler, Supervisor, Grayling Township

Michigan townships and other small communities should be prepared to receive less than their share of state revenue if a bill sponsored by Representative Mary Brown finds its way to law.

HB 5257 introduced in a clandestine manner late in session last December would defer the application of 1980 census statistics until the beginning of the state's 1981 fiscal year which begins October 1st.

Normally, new census data is used for disbursements beginning April 1st. Although new census data is not available until after that date, adjusted payments can be made retroactively.

The game being played by participants in HB 5257 is again one of "winners" and "losers". Communities with declining population since 1970 would gain by the delay. Those communities experiencing growth, generally townships and small

cities, and villages, would lose. In an attempt to opt out opposition, the House Taxation Committee allowed amendments to the bill to "hold harmless" for revenue sharing purposes a rollback caused by the Headlee amendment or an increase in SEV required by the State Tax Commission.

These amendments are needed by townships to prevent long term losses in revenue sharing funds. Most representatives interested in township government, however, are not buying this deal proposed by the Department of Management and Budget. However, Representative Tom Brown, D-Westland, has offered an amendment that calls for revenue sharing on a straight per capita basis.

This would unquestionably benefit the overwhelming majority of townships and other small communities. With the inclusion of the per capita amendments, HB 5257 is supported by township officials.

## Mothers' Honored A Squeaker Again? No Way... Vikes 101 — Hurons 54!

By Joe Schrader

It measured 5.1 on the Richter Scale. And the explosion that rocked the Middle School gym last Friday night about 10 o'clock might have rattled some passersby as well. A basket by guard Scott Hale with 4 seconds on the clock enabled the Vikes to hit the century mark for the first time in many a moon as the

victories in league action. Grayling closes out the regular cage season Friday against Petoskey on the road with only a faint hope of emerging in a tie for the league

crown with Gaylord. The Blue Devils ran their league record to 11-1 Friday with a 63-57 victory over the Northmen with only hapless Rogers City left on its schedule.

## Partello & Jones Two Vikes Reach State Finals

Burt Partello

Tim Jones

Two of eight Grayling wrestlers competing last Saturday in Regional matches in Grant will advance to the State Finals this Friday and Saturday in Watervliet, north of Benton Harbor.

Tim Jones joins Burt Partello in quest of a state championship—the latter making a return visit this year.

Partello took first place in the Class C Regionals with a 2-0

overtime victory over Mark Gordon of Shelby. The 126-lb. grappler had previously pinned Don Reynolds of Tri-County and decisioned Mike Krause of Lakeview to gain a berth in the finals. Partello's record now stands at a sparkling 42-2 on the season.

Tim Jones, Grayling's lone winner in the Pine River Districts February 16th, battled his way to a 3rd place finish, gain-

EASTER SEAL SNO-FARI—Over 30 snowmobilers headed out Saturday morning on the 50 mile Easter Seal Pledge Ride from Grayling to Lovells and back, with proceeds going to the Easter Seal Society and handicapped children and adults.

The group enjoyed lunch at Lovells, then returned to the Holiday Inn for a wrap-up dinner and awards ceremony. Everett Hoggard, AuSable Motel proprietor and co-ordinator for the event, said riders came from as far away as Dayton, Ohio to participate.

The Sno-Fari was co-sponsored by the Grayling Chamber of Commerce and Arctic Cat and was one of eight held for the Easter Seal Society around the state this winter. Funds will be used to send handicapped children and adults to Camp Hickory Ridge, an Easter Seal summer camp.

Assisting with the event were Katie Bomers, Michigan International Snowmobile Association (MISA) Recreation Director and Jim Maygers, Easter Seal Society Area Director. Lyle Shippe, Editor of The Michigan Snowmobiler magazine, was also on hand to cover the Sno-Fari and said it will be featured in their June issue. Snowmobile guides in addition to Hoggard, were Carl Kraft of North Country Lodge and Jim Kolkla.

Things got off to a big start when it was learned that an out-of-town participant, Ron Weathers, had brought in over \$400 in funds donated before the ride started. His father, Bill Weather of MISA presided at the awards banquet. The evening also featured awarding of trophies, drawing for door prizes and unveiling of the Sno-Fari "Poker Run" results. ## Grayling and California Team Up for Gala Evening Thursday

On Thursday evening, February 28, the Grayling Community School Program will present the next exciting, full-color adventure of the season; a true-life adventure in SUNNY-SOUTHERN California.

The film will be narrated alive and in person at the Grayling Holiday Inn by nationally recognized lecturer and photographer Bob Ditta. The film will begin at 7:30 but the real adventure will get its start at 5:00 pm in the dining terrace of the Grayling Holiday Inn.

In a willingness to support this fine cultural activity for our community the Grayling Holiday Inn has planned a special Southern California Dinner.

Included on the menu will be beef teriyaki with noodles, tuna casserole with avocado dressing, California style fried chicken, and western style mixed vegetable. Also included

will be the soup of the day and the famed Holiday salad bar. But, this is not the good part.

Because of the special event, complete meal prices for adults has been set at \$5.95...\$4.00 for students age 12 through high school, and \$2.95 for children under twelve and seniors over 65.

The Holiday Inn is requesting that you make reservations in advance by calling 348-7611.

Tickets for the California travelogue may be purchased at the door or in advance from the Grayling Community School Office. Single admission price is just \$2.00 and the money saving Passports to Adventure are still available.

A complete evening of the very finest full family entertainment available today, and at a price you can afford.

laid when approval is received, including architectural work and property purchase before construction can begin. Optimistically though, Mrs. Gould said construction work could begin as early as this summer if things go smoothly.

Mrs. Gould visualizes the project as being 18 units in a congregated setting, served by a central dining facility. The complex would be serviced through the current senior citizens center.

Once the grant OK is received, hopefully soon, plans can move ahead on the project to provide additional housing for senior citizens in the area plus a shot in the arm for the job picture in the community. All that's needed now is the green light from HUD.

## Basketball

(Continued from Page 1)

with four seconds remaining the 1st quarter pushed the Vikes ahead 18-10 and Hale's basket at the buzzer the second quarter gave Grayling a 37-20 halftime advantage.

"We had a big second half", said Coach "Butch" Hayes on Sunday, "we scored 64 points as the Vikes racked up 29 points the third stanza and another 35 the fourth to run away with their widest margin of victory this year."

"Hitting 100 was a big emotional lift for the kids," Hayes continued, "they wanted it bad." And the fever for the "Mother's Night" crowd began to build up as Jim Kitch hit 98 with a bucket with just over 10 seconds left. Then Hale gave the Viking followers what they wanted with time running out.

Mothers of all the cheerleaders and players for both squads were honored between games Friday, each introduced and presented flowers and "I Love Mom" buttons. Coach Hayes and his season-long assistant, Jerry St. Germain, were presented a "Terrible Towel" during the pre-game show, ala the Pittsburgh Steelers.

Scott Hale hit for 13 points, John Junttila 11 and Todd Dunkley 10 in hitting double figures for Grayling. Six of Dunkley's points came consecutively the 4th quarter as the Vikings surged toward the 100 point plateau. Hayes credited Hale, Roach, Dunkley and Tobin for their offensive efforts. Roach hauled down 11 rebounds and Junttila ten to lead Grayling on the boards.

The Vikes hit 38 of 80 floor shot for a sizzling 48% and converted 25 of 39 free throws for 64%. Tobin himself was 12 for 13 from the line.

Huron Kevin Sellke led all scorers with 23 points and Hampton hit double figures with 11 for Rogers City.

Hayes wrapped it up by saying, "It was an all-around excellent team game-the kids anticipated well and picked off a number of passes for easy layups. A credit to our offense was our excellent defensive play."

Kalkaska jumped off to a quick 27-19 lead in last Tuesday's non-conference encounter before the Blue Devils faded under the heat of a full court press counter-attack applied by the Vikes.

Guard Mike Walsh knotted the score at 30 all at the 4:53 mark of the second quarter and a steal and basket by Scott Hale seconds later put the Vikes on top to stay. Late in the half, Todd Dunkley came off the bench to spark the Viking surge with six straight unanswered points and Grayling was ahead during the locker room breather by six, 40-34.

When the Blazers came within two, 40-38 a minute into the third quarter, forward Billy Roach took over with four quick baskets, one on a steal, plus a free throw and by the end of the period the Vikes held a commanding, 58-41 lead. The fourth quarter was easy sledding as Grayling coasted the rest of the way to the buzzer and a convincing 22-point win.

"We fell behind early and decided to take the ball right at them and to the basket", Hayes said after the contest, "our shot selection was much better after the first quarter."

Roach topped the Vikes with 17 points, Mike Chrisman was close behind with 16 and Todd Dunkley also hit double figures with ten. Mike Chrisman hauled down 12 rebounds to lead Grayling with Roach and Bill Lucksted right behind with 11 each.

The Vikes will wind up their regular season play this Friday against the Northmen in Potoskey with tipoff time for the first contest set for 6:30 p.m. The Vikes will try to make it a clean sweep over Potoskey this year-having won by 20, 83-63 here January 11th.

One of the most fascinating programs held in the area was the Mini-Masks of Mime provided by pantomime expert, Ronlin Freeman. The production was sponsored by the Detroit Institute of Arts at Kirtland Community College on Tuesday evening, February 19. Freeman demonstrated the five basics of pantomime, discussed the use of mini-masks and portrayed a remarkable variety of characters, ending with an absolutely delightful clown act which had both children and adults chuckling with laughter. We're sorry you missed it!

Thanks to all those wonderful people out there who have been calling in or sending in news.

The opening rounds in the State High School Basketball Tourney will be played next week through out the State with District Tourney No. 70 scheduled to start at 8:00 p.m. next Wednesday in the local high gymnasium.

Vying for the District crown will be the Grayling Vikings, the Roscommon Bucks, the Mancelona Ironmen and the Kalkaska Blue Blazers. At this time, the Vikings, Bucks and Ironmen are thought to be about even in strength with Kalkaska slightly weaker. The slight edge, if any at all might be given to the Vikings as they will be playing on their home floor. However either Mancelona or Roscommon are quite capable of coming up with a double victory that would mean the District title.

Fred Bear, of the Bear Archery Company, received a telegram Tuesday, February 26th, from William Negley, which reads as follows: "Killed two elephants according to terms."

Mr. Negley sent the cable from Burma. He left the States February 9th for the Belgian Congo to win a \$10,000 bet that he could kill an elephant with a bow and arrow. Mr. Negley and Bear bows seem to be a complete combination.

Mr. and Mrs. William Cox are the parents of a son, Joel Benjamin, born February 24th. He weighed 8 lbs., 10 oz. and Mrs. Robert Sorenson and Mr. and Mrs. Grover Cox are Joel's grandparents.

Mrs. Carl H. Nielson is operating the Betty Mae Beauty shop on Tuesday and Thursday afternoons during Mrs. Danenberg's absence.

Miss Burns and Amber Meech drove to Traverse City Wednesday, February 20th, to meet their uncle, John Parsons, who came from Chicago to visit his sister-in-law, Mrs. Henry Meech, for some time.

Several friends of Mrs. Hansine Hanson dropped in to wish her a happy birthday Friday, February 22nd, and to enjoy coffee. Members of the family were present in the evening.

Jim Failing, son of Mr. and Mrs. Horace Failing, celebrated his 12th birthday Thursday by entertaining some 12 young men at a party. Jim received some very nice gifts.

Mrs. Anne Olson and daughter Laurie spent Tuesday, Wednesday and last Thursday in Lansing visiting friends.

Russell Vallad and Arnold Schilbe were in Cuyahoga Falls, Ohio last week from Sunday to Thursday, visiting friends.

Mr. and Mrs. Bert Plagens of Maple Forest announce the engagement of their daughter Barbara Dawn to Ronald Ernest Larson, son of Mr. and Mrs. Ernest Larson of Lake Margrethe.

Mrs. William Joseph and Mrs. B.E. Henig spent last Thursday in Traverse City.

Tommy Jakowski returned to Owosso, after spending a week at the Elwood Giffin home.

**March 1, 1934**  
Grayling Lumberjacks, for the third consecutive year, won the basketball trophy in the third annual Gold Medal tournament staged at Roscommon last Thursday, Friday and Saturday. Roscommon Ramblers were picked to be the winners long before the dates came, but were humbled when Saturday night in a hard fought fracas, they were set back by a 48 to 31 score. In the opening game Thursday night West Branch Rangers were defeated by the Lumberjacks playing Indian River, trimmed them 37 to 22.

Grayling wound up the regular schedule by plastering a couple of defeats on the floundering West Branch outfit. The Regulars turned in a 38-13 win and the Reserves copped their game by an 8-5 margin.

Miss Celia Granger and daughter Miss Isa spent the weekend in Alma where they visited the former's sister, Mrs. Eva Wingard, who is spending some time with her son Will Wingard and family.

The medical staff of Mercy Hospital held their regular monthly meeting Tuesday afternoon. Dr. Igloo, Dr. Katzman and Dr. Raff of the C.C.C. were guests.

March came in like a lamb. We hope this isn't pessimism. Mrs. E.N. Darveau enter-

tained the Woman's Home Missionary society at a silver tea at her home Wednesday afternoon.

Mrs. C.E. Fehr entertained at an O.E.S. benefit card party at her home Wednesday afternoon. Mrs. Hans Nelson won first prize and Mrs. Gail Clise second.

Take your yardstick and locate the 30 inch mark. That is how thick the ice is on Lake Margrethe. At School Section lake it is 24 inches thick. And then measure off 5 1/2 feet and you can see how deep the frost goes down in the ground around Grayling. These certainly are record beaters.

Otto Failing is driving a new Chevrolet sedan purchased from Alfred Hanson, dealer.

About the happiest parents in town are Mr. and Mrs. Jensen Ziebell who are rejoicing over the arrival of a daughter, Phyllis Joan, born at Mercy Hospital February 23rd. The little girl weighed 7 pounds. Congratulations.

Miss Emma Sherman has resigned her position at the express office and returned home to Maple Forest.

Henry Joseph has gone to Chicago where he will enter the Koestre school for a complete course in mercantile window trimming.

Edgar Dyer is making preparations to produce a western play on or about March 17th.

March struck us as a roaring lion with almost a hurricane and snow, but we are told that sunshine follows the clouds. Let 'er shine.

William Heberling of Beaver Creek has sold his farm to F.F. Hopkins of Heppston, Ill. or traded for property in that state, to which he will move.

On March 1st, 1909, M.A. Bates started the construction of the city telephone, having secured only 63 subscribers. Today he has 192 in use and orders enough to pass the 200 mark.

Our foreman P. Aebli has been taking an enforced rest for nearly two weeks on account of severe illness.

The band concert under the direction of Mr. Ed G. Clark given at the Opera House last Wednesday evening proved to be one of their most successful attempts at such work. The saxophone solo rendered by Francis Reagan proved his artistic ability as an accomplished musician. Another splendid number was the saxophone quartet by Messrs. Lauder, Brink, Shoemaker and Reagan, while the Basso Profundo solo "Pleasant Dream" executed by Joseph Leadbeater, well, big Joe, big horn, big success; and George Ballenger in his Dago stunt was a howling success and always knows what the audience likes best and gives it to them.

## The Bible Speaks

From Calvary Baptist Church

### The Christian's Glory

Galatians 6:10-18

When the Christian tries to live a good life, who is he trying to glorify? Christian service offers us a number of different choices. The Bible commands us to "do good unto all men, especially unto them who are of the household of faith." (Gal. 6:10.) Doing good unto all men, especially Christians is a Biblical directive, but it is not something we should glory in.

Sacrificial service is great, but not to be gloried in. Paul even though handicapped, wrote the epistle of the Galatians with his own hands, but not for glory. (Gal. 6:11.)

False religions seek to glorify the works of man and glorify such works to avoid persecution for proclaiming the grace of the cross of Christ. "As many as desire to make a fair show in the flesh, they constrain you to be circumcised; only lest they should offer persecution for the cross of Christ." (Gal. 6:12.) The reason false religions do this is not because they really have anything in their own lives to glory over, but because they want to glory over deceiving you and leading you astray after their own error. "For neither they themselves who are circumcised keep the law; but desire to have you circumcised, that they may glory in your flesh." (Gal. 6:13.)

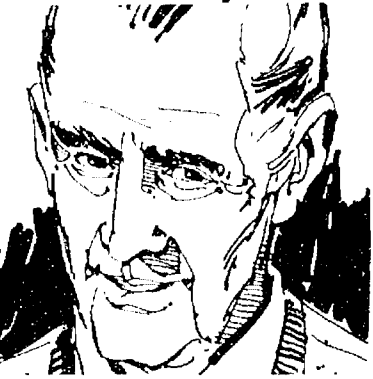

After showing us where we are not to glory, Paul makes it perfectly clear where the Christian is to glory. "But God forbid that I should glory, save in the cross of our Lord Jesus Christ, by whom the world is crucified unto me, and I unto the world. For in Christ Jesus neither circumcision availeth anything, nor uncircumcision, but a new creature." (Gal. 6:14, 15.) Paul says all the glory of the Christian is to be in the Work of Jesus Christ on the Cross for his sins and not in any human works which proceed or follow this glorious event. Paul says the main thing to know is the fact you are born-again by faith in the Work of Jesus Christ into a new creature. All glory belongs to Jesus Christ and His work at the cross.

Those persons who accept the person, work and word of our Lord Jesus Christ as man's only hope of salvation have glory therein. Those persons who reject this truth and glory in human ideas and works break the peace of Christianity. If they reject "this rule" they also miss the blessings of peace and mercy in verse 16. Paul says such persons should separate from him because the marks on his physical body show the evidence of persecution he has received for faithfulness to the grace of the cross of Christ Jesus. (Gal. 6:17.) Paul closes with a special blessing upon the brethren of grace from our Lord Jesus Christ. (Gal. 6:18.)

My friend what is the glory of your religion? Is it good works? Service to others? Faithfulness in Church? Please examine your faith carefully if you are not glorying in the cross of Jesus Christ as your hope of eternal life. (adv.)

## From Our Corner ...

Just when we have convinced our bride and the folks at the office that it was doctor's orders that I shant shovel snow or lift heavy things, along comes Diane Branch head caretaker of the Nickelodeon during the day (R.J. helps out at night) sending her son Steve down last Friday afternoon to see if I would go out and play in the snow, especially shoveling it, now who could say no to a young like like Steve...you guessed it...we went out and went through the motions and that seemed to make Steve happy...We didn't think Diane would do that to the ole fella...seeing as how we gave her all the plaudits for taking care of the ice cream parlor while R.J. was visiting his favorite jungle during Christmas.

If we are able to get this gem all together tonight it is going to be a miracle...so far we haven't had anyone bring in anything of lengthy to help like last week.

An idle thought...we wish the city would start using the siren again for noon, 6 o'clock and at 10...that way when it blows so long for a fire, one wouldn't think we were being invaded by the Russians...we don't know the reasons, maybe when this paper is out we will be let in on the secret...if it blew at 10 o'clock when Stef was over she would know it was time to go to sleep...

Saturday afternoon was the unveiling of the new ambulance purchased by means of donations from all walks of life...Crawford County should well be proud of the purchase...from what we saw it handles everything except driving itself...just another reason why living here makes everything worthwhile...our congratulations...

We were talking to a young fella the other day, he has only lived here for some odd 60 years, and we asked if he had witnessed a winter that Crawford County has experienced this year...he told us no way, in fact he said the winters back in the days we were young were bitter cold and piles of snow, he also stated you had to be sure your wood pile was filled in the fall, because there was no way to get it replenished until spring...that is unless you had a team of horses and could make it to the lumbering camps then you could pick up the loadings from the huge timber that was being prepared for the mills...

Another idle thought...with our open winter this year and the snow they have been getting in the southern states, we just heard on the radio there was blizzard warnings out in Illinois tonight; and state police were ticketing motorist who ventured out on highways, maybe we are going through a climate change...seems as how the west and south have gotten all the white stuff this year that we are accustomed to...

We're going to make Rena, our type setter, happy Tuesday morning, she won't be able to say you got windy again last night didn't you...right now about the only thing we can think of is next week at this time when we will be getting ready to head out west come Tuesday morning...when you read next week's issue of your favorite paper we will be in the land of the one armed bandits...

Have a nice weekend...spring is right around the corner, must be, March Madness starts next week for all the hopefuls shooting for the coveted basketball trophy...a belated congratulations to Bert Partello and Tim Jones on their wins in the regional wrestling tournament and good luck in your state meets...from the ole fella's corner...

### Bits O'Talk

By Fay Bovee

Perry and Beverly Wells were in Hickory Corners recently visiting their daughter and family, the Jim Bedards. While they were there, they celebrated Vickie's birthday, granddaughter Beth's 12th birthday, and grandson Nicholas' first birthday.

Kelly Zuehlke of Alpena spent from Thursday to Sunday visiting Pam McClain. Other visitors for the weekend at the Jim McClain's were Rita's sister and husband, Earl and Jeannine Jensen of Troy, Mi.

The new phone number for Auman's House of Catering is 348-9946.

Richie and Billie Bovee Smith of New York were fortunate enough to attend the final Olympics hockey game at Lake Placid and were most impressed by the excitement of the game and the orderliness of the crowds, the friendliness of the townspeople, security guards, state police, and the work that the TV cameramen had to do, as well as the cleanliness and organization of the whole place.

### Snow Sculpture Contest Winner

On Thursday, February 21, we held a Snow Sculpture contest at the Grayling Elementary School. The contest was between the second, third, fourth and fifth grades, the best one was to win a blue ribbon. One class was to work together. There was a first and second place, but the grades were different. Miss Wargo's fifth grade class came first in all fifth grades; in second place was Mr. Brigham's and Mr. Brengle's class. In fourth grade Mrs. McEvers' and Mrs. Flemings' came in first and in second was Mrs. Bovee's and Mrs. Akers'. In third grade, first was Mrs. Gotbro's class and Mrs. Benson's class was second. In second grade all the teachers and children got first place. Written by Anita Reddy, fourth grade

# News of Good Things Growing...

Boston may have made beans famous, but our state grows them! Ninety-one percent of all navy beans and one-third of all varieties of edible beans harvested in the United States, including kidney, cranberry, pinto and black, are grown in the Thumb and Saginaw areas.

About 8,000 Michigan farmers planted 495,000 acres in 1979 to produce a bean crop of 686 million pounds, valued at more than \$130 million.

In the 1920s, the U.S. was the largest importer of dry beans. Today, Michigan beans are shipped to countries all over the world, including the United Kingdom, Australia, South America, Algeria, Japan and the Netherlands.

Beans are not only delicious, versatile and economical, they are very nutritious, contain no cholesterol and, with other foods, are an excellent source of protein.

Old-fashioned Boston baked beans fill the house with a delicious aroma when baked most of the day at a low temperature. Soak one pound of navy beans overnight and cook until tender, about one hour. Turn into a two-quart casserole with a tight-fitting lid. Add one and one-half teaspoons salt, one teaspoon dry mustard, one-half teaspoon pepper, a dash of cayenne, one-half cups each chopped onion and molasses, one-quarter cup brown sugar, six tablespoons cider vinegar and one-quarter pound salt pork, cubed. Mix and add enough water to cover bean mixture. Bake covered at 300 degrees for six hours, stirring occasionally. Add boiling water as needed. Served with hot slices of steamed brown bread.

For a guided tour of Michigan's bean region this spring, contact the Michigan Department of Agriculture for a free copy of "Cook's Tour," which includes 12 crop tours around the state and recipes for each community. Write MDA's Communications office, P.O. Box 30017, Lansing, 48909.

**Male or Female?**  
A visitor to the London Zoo reportedly asked a keeper there whether the hippopotamus was a male or a female.  
"Madam," replied the keeper, "that is a question that should be of interest only to another hippopotamus."

**WORLD ASSOCIATION DAY**—Matson's Adult Foster Care Home was the setting last Thursday, February 21st, when members of Brownie Troop No. 2007 visited Mrs. Inez Collen in observance of World Association Day. Mrs. Collen has been very active in Girl Scouting over the years and the Brownies honored her by presenting her with a World Association Pin. Brownies pictured here with Mrs. Collen are (left to right): Deanna Phelps, Tammy Fenton, Theresa Minnerick, Jenny Gillon and Erin Bindschattel. Standing on the right is their troop leader, Donna Carmean.

World Association Day is a special day set aside to think of what it means to be a girl scout and to think of girl scouts all over the world. (Joe Schrader photo)

# Granda-Hoffman Vows Spoken

Marianne Granda became the bride of John Hoffman before 50 guests on Friday, January 11, 1980 at the Memorial Presbyterian Church in Midland with Rev. Wm. Campbell officiating.

The bride, given in marriage by her father, wore an Ivory gown and carried Yellow Roses. Kathleen Harwood, sister of the bride, was Matron of Honor, she wore a Dark Green gown and carried Yellow and White Roses. Michael Hoffman, brother of the groom served as Best Man. The bride's mother wore a Brown Velvet dress with an off White shawl, the Groom's mother wore a Pink dress.

A reception followed in the Garden Room of the Holiday Inn of Midland. Following a honeymoon trip to Bradenton, Florida the couple are making their home in Grayling.

Marianne is the daughter of George & Donna Austin, of Midland and Robert Granda. John is the son of Dr. and Mrs. Ralph Hoffman.

Out of town guests were from Troy, Saginaw, Grand Rapids, Pontiac, Au Gres and New Jersey.

# Kirtland Offers Info on "Energy and the Way We Live"

Energy and its affect on the way we live will be the topic of discussion held nationwide through a National Issues Forum program developed by the American Association of Community and Junior Colleges. Kirtland Community College will be participating with over 450 other community and junior colleges throughout the nation by providing public information discussion sessions designed to provide citizens with the opportunity to better understand energy policies and the complexity of choices that are before them.

"Energy and The Way We Live", a National Issues Forum will take place over a ten week period in February, March and April, 1980. Twelve national organizations and other resources are tied to a 'Calendar of Issues'. This calendar covers major energy topics and provides nationwide framework or common agenda for discussion of the energy issue.

Newspapers, national public radio, public television, as well as other association resources will be running programs and information in sync with the Calendar of Issues.

Kirtland will be scheduling forums within the college district over the next few weeks. Announcements of these programs will be made at a later date indicating specific time, topic, place, and co-participating institutions.

Energy and The Way We Live: A National Issues Forum, a program of the American Association of Community and Junior Colleges, has been funded by the National Endowment for the Humanities, the U.S. Department of Energy and the Charles Stewart Mott Foundation and other private contributors.

Anyone having any questions or interest regarding the "Energy and The Way We Live" program should contact: Steve Perry, Development Officer, Kirtland Community College at 517-275-5121, ext. 229.

# AARP Meet

The Crawford County Chapter No. 1681 of the American Association of Retired Persons held the February meeting Monday afternoon the 25th at 2 p.m. at the Senior Citizens Center. 28 members and guests attended.

Marion Wright gave the invocation, and President Ed Loddell conducted the business meeting. Program chairperson, Angela Kirkum gave a short talk, and Marion Wright recited several poems.

Delicious refreshments were served by Mae Bishaw and Velma Loddell.

Next meeting will be Monday, March 24th at 2 p.m. at the Senior Citizen Center.

## Energy Assistance Booklets Mailed

If you're troubled by soaring inflation, a job layoff, or a family illness, help is available for meeting energy bills and Michigan Consolidated Gas Company wants its customers to know about it. That's why the utility recently distributed a 21-page booklet, "Energy Assistance Programs" to its 1.1 million customers.

The booklet is one of the most complete listings currently available. It includes a description of programs that Michigan Consolidated continues to offer

its customers—a Double Notice Protection Plan, Senior Citizen Assistance Plan, Extended Payment Arrangements and others—and also the various state agencies that offer help.

Outlined in the booklet are the programs for bill payment assistance offered through the Michigan Department of Social Services, how to receive tax credit information from the Michigan Department of Treasury, information on home improvement loans and energy audits offered by the state, as well as phone numbers and addresses of the state's Community Action Agencies.

A return mailer is included in the booklet so that customers can request further information about Michigan Consolidated's programs, or ask to be referred by the company to a state agency.

"More than \$118 million has been made available to Michigan citizens through state and federal programs to help pay energy bills," said Louis N. Case, General Manager, Northern District Operations. "But if those who qualify don't know that help is available and don't apply, then the unused money will be returned and used for other purposes."

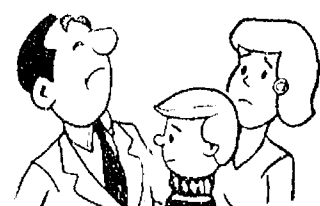

Case also said he hopes customers will keep the booklet on file, even if they are not among those who may qualify for assistance.

"We know of no other publication that gives as complete a listing of available programs as this one does," Case said.

He also reminds customers that the first thing to do if they're having trouble paying a gas bill is to contact Michigan Consolidated. All phone numbers for Michigan Consolidated branch offices are contained in the booklet.

"As always, our trained representatives are willing to help, whether it's arranging a payment agreement, or directing those who might qualify for assistance to the proper agency. But we can't give help if we're unaware of the problem," Case said.

Any customer who has not yet received a booklet may obtain one by visiting or writing the Michigan Consolidated Gas Company office in their area.

I think I know what's wrong. We took prayer out of our schools—but we didn't put it anywhere else.

## Bits O'Talk

By Fay Bovee

Stan and Liberty Wilcox, who are residing in the Philippine Islands, are the proud parents of a baby girl, Shawnda Lee, born on February 19, 1980. She weighed 8 lbs. 13 3/4 ozs. and was 21 inches long. She was also born with an inch of black hair. Since Stan has been stationed in the Philippines with the Air Force, he has gone T.D.Y. to Korea where his older brother, John, is stationed. John and Stan hadn't seen each other in over a year, so they had a nice reunion.

Edna Lazarowicz returned home to the John Wilcox, Jr. residence after vacationing for over six weeks. Edna visited her daughter and husband, Floyd and Dorothy Williams and family, in Florida. From there she went to Texas for two weeks to visit her grandson and wife, Wayne and Betty Barclay and family. Upon leaving there she went to North Carolina to the home of another grandson and wife, Clark and Cindy Wilcox and family. Before Edna left North Carolina, the first birthday of Clark Wilcox, Jr., was celebrated.

Gene and Julie Andrews and his mother, Norma, all of St. Johns, were weekend guests in February of her parents, John and Bev Wilcox.

Anyone wishing to write the Stanley Wilcoxes, the address is A/C Stanley J. Wilcox, PSC No. 1, Box 371, APO San Francisco, California 96286.

If your child is 5, please call the Grayling Elementary School and make arrangements for his or her registration for Kindergarten. It will be held on March 3, 4, 6 and 7.

Jennie Annis was honored by a retirement dinner party, hosted by several friends on Sat. evening, Feb. 23rd. Jennie retired Feb. 1st from her duties as payroll clerk for the Crawford County Road Commission, after nearly 14 years of service. A gift was presented to her from the groups and visiting completed the evening.

## Pre-School Christian Story-Hour

Beginning Monday, March 3, at 10:00 a.m., Mt. Hope Lutheran Church will resume Christian Story-Hour. This will be held in the Church Fellowship Hall at the corner of Spruce and Vine, and is open to all children 3-5 years old, and their moms and/or dads.

There will be a story, songs, craft/activity, and refreshments. Mark the date on your calendar, and plan to come and join in the fun and fellowship.

If you'd like more information call Nancy Dean at 348-8305.

## Letter of Thanks

We would like to express our sincere thanks and gratitude to the following, and everyone else who has helped us through our recent tragedy:

The passerby who spotted the fire and called the Fire Department; Mr. and Mrs. Lacey Stephan, Jr., and their family; the Grayling Fire Department; the Crawford County Sheriff Department; Bernard and Denise Parks; Kathie and Gary Piper; Mary Rutkowski and Mark Kolka; Jodi and Justin Potter; Doreen and Jim Piper; Steve and Shirley Perry; Linda & Tom Franklin; The American Red Cross; the staff at the Grayling Mercantile; Ed and Shirley Rutkowski; Bob and Eileen Chappell; the St. Francis Episcopal Church; the Grayling, Gaylord and Onaway Offices of the Northeast Michigan Manpower Consortium; Don Prause; and the many others who called to offer their assistance.

Your kindness and donations have helped make this difficult time easier.

Thank you.

**Services Held For  
Elsie Knepper, 65**

Elsie A. Knepper, age 65, died Thursday, February 21, 1980 at Northern Hospitals, Inc. (Little Traverse) in Petoskey. A Memorial Service was held Saturday, February 23rd, 1980 at 1:00 p.m. at Kingdom Hall with Mr. Robert Kirm officiating. The body was cremated.

Mrs. Knepper was born March 3, 1914 in Standish, Michigan. She had been a resident of Grayling for five years.

Survivors include two sons, Clifton of Frederic and Phillip; daughter, Marie Snyder of Brown City; two sisters, a brother and 5 grandchildren.

**SELLS WINNER**—Grayling Elementary School 4th Grade student Steve Lehti (pictured here), sold the winning raffle ticket in the drawing for a patchwork quilt, proceeds for which will be used to purchase library equipment for the school. The quilt winner—Steve's dad, Howard Lehti. Leading the way in ticket sales was Mrs. Benssen's 3rd grade class, winning a pizza party for their efforts. Bud Ostrowski, who led the class in sales, drew the winning ticket.

Raffle organizers thank the community for the generous support and also the students who worked so hard on the project. Ticket sales brought in a whopping \$1,128 for use in improving the school's library services. (Joe Schrader photo)

## Special Tax Advice For Senior Citizens

Some senior citizens find they have the time to travel; others enjoy meeting new friends or taking up new hobbies; then there are still others on the workforce. If you are age 65 or older, no matter what you do, you should be aware of certain tax benefits that apply to senior citizens.

For instance, anyone 65 or older is entitled to an extra exemption of \$1,000, up from last year's \$750. That means automatic reduction to income of \$2,000 for single persons, and \$4,000 for a married couple, both 65 or older, who file a joint return.

Do senior citizens have to file at all? In some cases, yes, since filing a tax return has nothing to do with age; it's income that decides that question.

Single person 65 or over do not have to file a Federal income tax return if their income was less than \$4,300. The limit for a married couple, filing a joint return, with only one spouse 65 or older, is \$6,400; \$7,400 if both spouses are 65 or over. For tax purposes, persons are considered to be 65 on the day before their 65th birthday. Incidentally, these are the new liberalized filing levels. Bear in mind, Social Security payments are not taxable.

Another special benefit is the "Credit for the Elderly." The credit can in some cases, but not all, reduce taxes owed by as much as \$375 for single persons and \$562.50 for married couples who file a joint return.

Generally available under certain circumstances to persons 65 or over, the credit can sometimes apply to those under 65, particularly if they have retirement system income. However, in certain instances other income such as maximum Social Security payments, will wipe out the credit.

Senior citizens who are thinking about selling their personal residence should consider the once-in-a-lifetime \$100,000 exclusion of the gain on the sale of it. An awareness of the tax consequence is essential before selling a personal residence at any age, but doubly so for those

55 or older. The IRS has more than 90 free publications on various tax subjects, among them, these of special interest to older taxpayers:

- 505 "Tax Withholding and Estimated Tax"
- 523 "Tax Information on Selling or Buying Your Home"
- 524 "Credit for the Elderly"
- 554 "Tax Benefits for Older Americans"
- 575 "Pension and Annuity Income"

IRS has special phone numbers for tax forms and free publications. In Detroit, the number is 237-0794. Elsewhere in area code 313, call 1-800-462-9910. The number for the rest of the state is 1-800-482-0828. Forms and publications can also be picked up at IRS offices.

## Census Office Accepting Applications

Applications for temporary employment are now being accepted at the 17 Census District Offices in Michigan. The Traverse City office will conduct the Census in the counties of Alcona, Alpena, Antrim, Benzie, Charlevoix, Cheboygan, Crawford, Emmet, Grand Traverse, Iosco, Kalkaska, Leelanau, Missaukee, Montmorency, Ogemaw, Oscoda, Otsego, Presque Isle, and Roscommon.

Manager Sarah Sue Crampton said that positions to be filled include clerk, crew leader, and enumerator (Census taker). Rates of pay range from \$3.50 to \$4.50 per hour. The term of employment will be from four to ten weeks. The peak hiring period will be March and April.

All applicants must pass a written test and must be able to communicate effectively with the public. Enumerators must be physically fit for the job.

Applicants should contact the Census District Office: Industrial Center, Second Floor, 1100 Woodmere, Traverse City, Mi. 49784. The telephone number is (616) 941-9632.

## Jerry Ford draws new attention

RICHARD MILLIMAN

"JERRY FORD looks better and better to GOP."

So reads a headline over a recent article by noted New York Times political columnist James Reston.

To a handful of us here in the hinterlands, Jerry Ford never looked very bad in the first place. Now some of the Washington pundits, such as Mr. Reston, are coming around to agreement with us.

"You're not going to believe this," Mr. Reston writes, "but the longer this presidential election goes on, the more talk you hear among Republicans in these parts about getting Jerry Ford off the golf courses of America and drafting him into the presidential election campaign."

We believe, Mr. Reston. We believe. "THE MORE THE Republicans look at Ronald Reagan," Reston continues, "the younger and more attractive Jerry Ford appears. The more they think about George Bush as their candidate against Jimmy Carter, the more they wonder whether this nice bush-league man can really make it to the White House."

Reston goes on to point out that Iowa has crippled Reagan, that John Connally just doesn't work, that neither Bush nor Sen. Howard Baker has shown signs of being able to beat Carter.

Meanwhile, Jerry Ford has been traveling around the country, talking to Republicans about the glories of Republicanism and the dangers of continued Carterism. The message seems to be getting across in more and more areas.

Who better than Jerry Ford to argue against the Carter record on such matters as inflation, foreign policy, arms control and other significant problem areas. After all, Mr. Ford has been that route before, and—in retrospect—maybe he didn't do half bad.

COULD JERRY Ford be induced to run for president again? Could Jerry Ford defeat Mr. Carter the second time around? Would Jerry Ford be a good president? My answer to all three questions has always been, "Probably yes."

Now some of the big-name pundits in the east seem to be coming around to seeing things the same way. It could happen.

But those of us who spend a few of these wintry weekend hours in front of the television screen, looking at and longing for the sunshine of the golf courses, having noticed an aging but energetic, and enthusiastic amateur golfer participating in most of the program portions of most of the national

tournaments, in such places as Phoenix and Palm Springs and Pebble Beach.

It is, of course, the same Jerry Ford, who has promised to work hard enough on his golf game to improve his handicap from 14 to 10.

What a life, all of other duffers sigh...playing in the sun with the likes of Bob Hope and Arnold Palmer and Jackie Gleason.

That's the only question relative to the Ford candidacy I haven't quite resolved, namely, just why would Jerry Ford want to trade his present life for his past one?

Maybe Jimmy Carter's safe after all.

AN INVOCATION at a banquet seldom arouses much interest, let alone enthusiasm. An exception was the opening prayer offered by Fr. John Weber of Waverly's St. Gerard Catholic Parish at the recent Michigan Press Association annual convention.

Fr. Weber's invocation even earned a round of applause from the assembled press-and-politician types. Here is what he said:

"Almighty God, our Father and our Friend, we know that your memory of earthly banquet halls is pretty grim, ever since that first Christmas Eve when an insolent fellow in a greasy apron at the only hotel in town slammed the door in Your mother's face.

"Well, the mills of God grind slowly, but they grind exceedingly fine, and here we are today, 20 centuries later, on a continent that the innkeeper never knew existed, speaking a language he never heard, and our very first thought before we sit down to our banquet table is to stand in reverence and salute Your undying name.

"WE ARE ESPECIALLY happy to make this prayer, O Lord, and we hope You hear it, because this time we are not in church, and not in trouble. As a rule when we speak to You, we are either kneeling against the background of a stained glass window, or buckling on a life preserver. It is either the routine of religion, or the rush call for help. But today it is gloriously different. Today we want to thank You for a few hours of genial festivity.

"Bless us then, Lord, and in Thy goodness, grant that the food may be well flavored, the service smooth, and—if it isn't asking too much—the speeches short.

"Amen."

Although he admitted he didn't compose the whole prayer himself, Fr. John Weber certainly deserved the round of applause.

## Vikingland Happenings

by Joelyn LaChappelle and Jane Stamm

Mary Alvey, from Youth for Understanding, paid the sophomores of GHS a visit to explain the International Student Exchange Program. This is a non-profit organization which is available to students 14-18 years of age. Students must have at least a 3.0 grade average and at least two years of a foreign language is required. Youth for Understanding is also seeking host families for an international high school student. For more information on being an exchange student or being a host family please write: Mrs. Tom Weede, Rt. 1, Box 982, Roscommon, Mich. 48653 or call 517-275-4217 (weekends and evenings).

Student Council organized the 14th to be a day packed full of fun.

The seniors sold carnations during the day so the guys could give their sweethearts a little gift. The cheerleaders were also

presented carnations by the members of the basketball team. Singing telegrams were also available. A person wrote down a poem and a student council member went to the classes and delivered the telegram.

There was also a poem contest. Anyone wishing to enter wrote a humorous poem and submitted it in the office. The winner was announced at the end of the day, Thursday, and received a box of candy as the prize.

There were also "Dear Flabby" tales and stories pertaining to Valentine's Day read over the announcements. The 14th turned out to be a little more exciting than the average day at GHS.

### Boy Scouts 997

#### Polar Bear Campout

by Ira Grounds, Scoutmaster and Dave Avis, Assistant  
Preparation, training and activity. That's the excitement of Boy Scout Troop 997 of Grayling. Projects for January 2nd & 3rd and February 16th & 17th was providing First Aid at the White Pine Stampede, an Eagle Scout project for Dave Shires and the Scout Troop.

Now the excitement, planning and loading is underway. The Scouts are going winter camping at West Branch. Boy Scouts from the AuSable District are having a Winter Klondike; Loren Goodale (JASM), Dave Shires (SPL), Erine Schoonover, Wayne Schoonover, Mike Hoag, Rick Hoag, Todd Pfaff and Jr. Grounds will sleep on the ground overnight, be outside for 18 hours; to earn their Polar Bear Patch, completing their campout, without the use of a tent, placing a sheet of plastic down, sleeping bag in place; side by side; with plastic over them. It's down below zero and come morning they cook outside. Other scouts, Steve Belcher, Tern Mesick, Delbert Stadler and Chuck Stadler slept in the warming house. Now the other scouts from the districts are coming. The day is filled with competition between several troops.

About 100 scouts are lined up with their Klondike sleds, that will carry supplies, equipment and food to be cooked on the trail. Troop 997 opens the competition, boys pulling their sleds at a run take off. Forty acres is covered during the next seven hours. Skills in knot tying; compass; first aid; fire building; Morse Code and forestry. Troop 997 finishes first and wins a blue ribbon. Tired but jubilant they return home, looking forward to a week long camp this summer.

### La Leche League Meeting Notice

"Nutrition and Weaning" will be the topic for discussion at the March meeting of Roscommon La Leche League. The meeting will be held on Thursday, March 6 at 7:30 p.m. at 8085 N. Everett Road, Roscommon. This is the last meeting of this series; a new series will begin in April.

La Leche League believes that mother's milk is the best food for baby; more importantly, that breastfeeding gives the baby the best start in living.

The discussion will include suggestions about nutrition for nursing mothers and their families, as well as information about weaning the breastfed baby.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Nursing babies are always welcome. For further information, or for breastfeeding help, call Carolyn Crist at 275-8431.

## BEST C.A.F.E.

Ford has the best Corporate Average Fuel Economy of any major U.S. car maker. C.A.F.E. is the government's measure of auto companies' progress in gas mileage each year. It is an average using the EPA rating system and projected 1980 total model year car sales mix as submitted to the U.S. government in December, 1979.

Only Ford among the major U.S. companies ranks first on this basis. Remember, C.A.F.E. is an average, so consult EPA ratings for individual car's mileage.

## Jean Wieland Leads Viking Ski Team In Regional Meet

Jeanette Wieland was the only medal winner in Regional Ski Meet action finishing 6th in slalom out of 100 girls.

The Girls Team finished 5th out of the 17 team field entered, with Petoskey winning the meet.

Jeanette Wieland was once again the top Viking skier placing 6th in slalom and 17th in giant slalom. Stephanie Fick and Toni Trudgeon each finished the meet with 51 points as Stephanie placed 12th and 39th and Toni 21st and 30th. Sheri Wieland the top slalom competitor in the last half of the season for the Vikes lost a ski in slalom and was disqualified and finished in 18th in the giant slalom event. Shelly Kanner placed 56th in slalom and 54th in giant slalom with Mika Fijolek disqualifying in both events.

The boys finished a disappointing 11th, the worst a Viking team has placed in the past 10 years.

The lack of practice undoubtedly didn't help the boys. They didn't have the experience backing them as our girls did.

However, the Harbor Springs Team that won the meet didn't have much experience either as they beat the 17 team field with one Junior and 5 Sophomores. Showing they will be team to beat in the area for quite

awhile.

Top racers for the Vikings were Bill Martella placing 26th in slalom and 45th in giant slalom. John Huss placed 40th and 76th, David Burr 57th and 77th, Pat Hickey 59th and 78th, Tony Brooks 103rd and 51st with Dave Trudgeon 41st in slalom and Dave Martella 103rd in giant slalom.

The Vikings will hold their fund raising banquet in March with the proceeds earmarked to Rasmus Hanson Recreation Area to help pay for the newly purchased hill groomer. Please attend.

## Learn About Fire Safety

Mr. Golnick came in for our Junior Deputy program. He talked about Fire Safety. He said that you should have a fire alarm, and an escape plan so you can get out fast in case of a fire. There are special kinds of things you should have for a fire, like a fire extinguisher. He gave us papers about fire safety. Written by Anita Reddy, fourth grade.

## District Court

The following appeared before Judge Francis L. Walsh in 83rd District Court over the past two weeks:

Loretta Edith Beehler, 18, Flint, demanded preliminary examination on a charge of breaking & entering an occupied dwelling. The 12-day period was waived and a \$1000 cash/surety bond was set.

Joann Clark, 19, Flint, demanded preliminary examination on a charge of breaking & entering an occupied building. The 12-day period was waived and a \$1,000 cash/surety bond was set.

Arthur Edward Hunt, 24, Burton, pled nolo contendere to a charge of larceny under \$100 and was fined \$205 or 30 days in jail. He was ordered to pay \$100 attorney fees and place on probation for six months.

Adam Leroy Horning, 37, Grayling, pled guilty to two charges, the first, disorderly person by intoxication in a public place and creating a disturbance, the second, allowing an unlicensed person to drive. He was fined \$45 or 5 days in jail on the first charge and \$25 or 3 days in jail on the latter.

Kenneth James Johnson, 21, Roscommon, pled guilty to a charge of simple assault and was fined \$105 or 10 days in jail and placed on probation for six months.

Cindy Hepler, 18, Grayling, pled nolo contendere to a charge of assault and battery and was fined \$105 or 10 days in jail and placed on probation for one year.

## Letters of Interest

Dear Mr. Nowak and Members of the Chamber of Commerce,

I would like to express my sincerest thanks for the One Hundred Dollar check that was presented to me at the Kick-Off Dinner for being first runner up in the Miss Grayling Pageant. I intend to use it toward further private flute instructions.

Thank you also for the privileges I've been afforded like the free dinners, lunches and skiing. I've been thoroughly enjoying every activity this experience has brought me.

Sincerely yours,

Susan C. Weber

## Tree Planting Program

Your local soil conservation district began distributing information on it's tree planting program this week.

The Crawford-Roscommon Soil Conservation District will be taking orders from now through April for pine, spruce and wildlife seedlings to be distributed at the office approximately the first week of May. These trees, from one to three years of age and ranging in height from 5-10 inches, are offered at the lowest possible cost to landowners interested in reforestation, wildlife, erosion control, windbreaks, hedgerows, Christmas tree production and beauty. Seedlings can be ordered in quantities of 25-1,000 or more.

Species available for 1980 are: red pine, white pine, scotch pine, blue spruce, Norway spruce, white spruce and autumn olive.

A cost-share program is available (by request) at a rate of up to 75% of the actual cost of trees and planting for conservation purposes.

Also available this year as a convenience to local, as well as non-resident, landowners is a conservation work crew that does hand planting where machine planting is not feasible.

For further information regarding the 1980 spring tree program, contact the Crawford-Roscommon Soil Conservation District office at 409 Lake Street, P.O. Box 156; Roscommon, MI. 48653; or phone 517-275-5231.

There is a limited supply and orders are accepted on a first-come, first-served basis—so order early!

**HOUGHTON LAKE WINNERS**—Both 7th and 8th grade Houghton Lake squads walked off with trophies in the Grayling Middle School Invitational last week. **Houghton Lake Reigns in Invitational**

Houghton Lake took home both trophies in the Grayling Middle School Invitational Basketball Tournament held last week. On Wednesday night, the Lakers 7th Grade won the championship with a 32-25 win over Grayling despite a game-high 19 points by Barsie Cross.

Houghton Lake earned their way to the finals by getting by Harrison Monday night, 26-22 with Dan Blanchard leading the way with 12 points. He was also the top Bobcat scorer on Wednesday with 15.

Grayling had little trouble Tuesday night getting in the finals when they defeated West Branch 49-33. Cross with 14 points led the scoring as he has all year, totaling 167 in 10 games, eight of which were Viking victories. In the consolation game, Jon Holliday's 13 points led West Branch to a 35-37 win over Harrison.

The 8th Grade win for the little Bobcats came over West Branch, 31-15. Tom Hasty topped the winners with 27 points, the same as he had in their Monday preliminary 52-37 win over Harrison.

West Branch squeezed by Grayling's 8th Graders 39-36 in the Tuesday night first round to win the shot at the championship. Dan Reizel led the Branchers with 12 while Paul Hamlin netted 14 for Grayling.

Grayling blew out to a 29-6 half time lead over Harrison in the consolation game and substituted freely the second half to win 34-25. It was Hamlin again leading the way with 11 while the team was bringing its season record to 4 and 6.

Many of the Grayling players will now switch to wrestling. So far their only scheduled outings will be an eight team home tournament March 22nd and a second one a week later at Benzie Central.

**Hospital News**

The following were among those admitted to Mercy Hospital during the past week: Donna J. Harcourt, Calvin L. Labo, Karen Fitch, Matthew Keir and Alfred Newell Sr. all of Grayling; Carter G. Pavey of Frederic; Claudia Costello, Clarence Lenz and Jeremy Rice all of Roscommon.

Those discharged were: Ralph Helsel, Shirley Duvall, Carl Lagviel, Debra Pelton, Jacqueline Lepsy and Donna Harcourt all of Grayling; Albert Pochelon Jr. and Carter Pavey both of Frederic; George L. Walker, Florence Pearce, Harold Giegler, Clarence Lenz, Alfred Cook and Claudia Costello and baby all of Roscommon.

Alvin and Sarah Robinson of Grayling are the proud parents of a baby boy, Jason Allan, born February 18, 1980 and weighing 7 lbs. 6 1/2 ozs.

Thomas and Cindy Mikolaizek announce the arrival of a baby girl, Holly Ann. The little lady was born February 22, 1980 and weighed 8 lbs. 1 oz.

Bryan and Claudia Costello of Roscommon gave birth to a baby girl, Meghan Anne on February 22, 1980 and weighing 8 lbs. 1 1/2 ozs.

**TREAT STUDENTS**—Tuesday, February 12, 1980, Michael Day from WQON came over to Grayling Elementary School and went to Mrs. Bovee's class and gave them an Eskimo pie, peppermint patties and a key chain. It looked like a record that was broken. It said make 1980 a record breaking year with WQON 100 FM. The Eskimo pie was delicious, so was the peppermint patty. We met a disc jockey. He told us about the radio station. He told us about the way they get their sound. He came over because Mrs. Bovee's class won second place in "how to make snow" contest. He gave us some mineral water that he got from the ground. He showed us how he talks. He said he talks the same way he talks when he's off the air. The mike in there makes him sound deeper. He told us how to make arrangements to go to the radio station. He told us how many turn tables they have in the station. Written by Patrick Nunn and Ronnie Medley, fourth grade

## EMU President to Meet With Grayling Area Alumni

(Special to the Avalanche)

Ypsilanti—Eastern Michigan University President John W. Porter and several other EMU officials will meet with Grayling area alumni liaisons and volunteers Thursday, Feb. 28, from 5:30 to 7 p.m. at Chief Shoppenagons, 103 Michigan Ave.

The purpose of the meeting is to discuss the EMU Alumni Student Identification Program with those alumni who were unable to attend the Nov. 17 meeting on the EMU campus.

The alumni Student Identification Program is designed to identify high quality students throughout the state of Michigan and to encourage them to attend Eastern. A network of 125 alumni liaisons representing each county and school district where there is more than one high school and 850 alumni volunteers representing every high school in the state has been established to help identify these students.

The alumni volunteers will work with their local system in identifying the most academically talented students who are

eligible for the EMU Recognition of Excellence Award. An \$850 scholarship will be presented to the top student in each high school in Michigan who enrolls at Eastern. Qualified students will include those who have a 3.5 grade point average and/or (preferably both) demonstrated excellence in activities such as music, dance, drama, athletics, etc.

#### Family Educational Rights and Privacy Act

The educational records of any student enrolled in the COOR Intermediate School District (COOR ISD) are protected under the Family Educational Rights and Privacy Act of 1974.

A parent or eligible student (one who has attained the age of 18 or is in a post secondary educational institution) may, and is encouraged, to review the records. The review may be done by contacting the building principal or the department head if the record is at the Educational Service Center and arranging an appointment. A member of the staff the parent or eligible student feels some portion of the record is inaccurate, misleading or otherwise in violation of privacy or other rights of the student, he or she may ask that the record be amended. If satisfaction is not achieved at the building or department level, a hearing will be held on the matter upon request. Following the decision of the hearing officer, if satisfaction is still not achieved, a written explanation may be added to the record of the rationale for challenging that record. Copies of educational records will be provided parents or eligible dependent upon request. A charge may be made to cover the cost of the copy. The following personally identifiable information is declared to be "Directory information." Student's name and address, telephone number, date and place of birth, sex, participation in social school activities, weight and height, if in athletics, date of attendance, diplomas and honors received, latest school attended and major field of study. This information will be released at the discretion of the staff of the COOR Intermediate School District without consent of the parent or eligible student unless a signed directive is received by the COOR Intermediate School District not to release any or all of the above information. A form for this purpose is available at each building (form F-3B).

The following educational records of students are maintained:  
Student cumulative record (CA-60), which contains directory information and medical, educational, psychological and attendance information it is maintained at the building in which the student is enrolled.

Transportation directions will contain home addresses, alternate addresses, and current details about handicap of the child. It is maintained by the bus driver, via the school attended by the student.

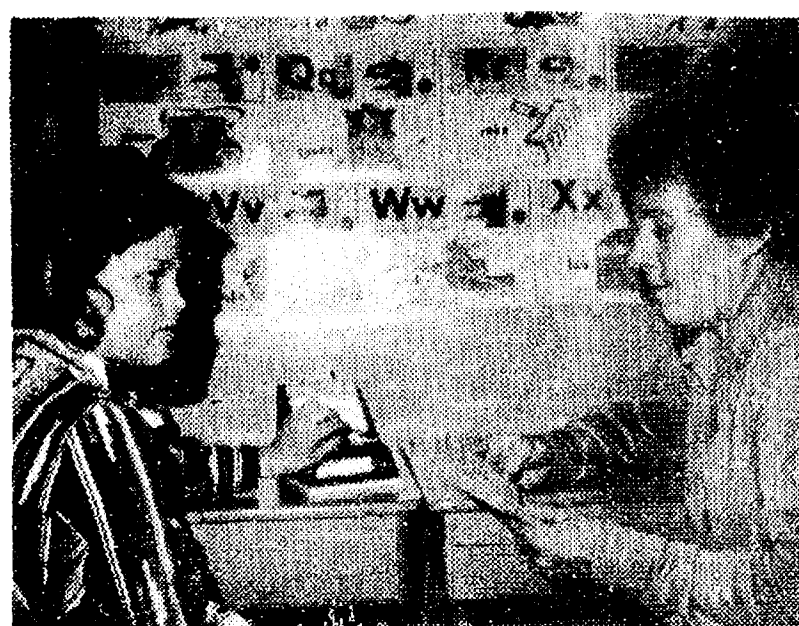

Emergency cards which contain information how to reach parents is maintained at the building in which the student is enrolled.

Accident reports which contain information of any accident that occurs. They are maintained in the building in which the student is enrolled.

Central Registry which contain directory information, type of handicaps, date of referral date of service rendered, including dates of initiation and termination, the name, address and telephone number of the parent and the district of residence (this is not a part of the educational record). It is maintained in the office of the school attended.

Parents or eligible students have the right to file a complaint with the Family Educational Rights and Privacy Act Office, Department of H.E.W., 330 Independence Avenue, S.W. Washington, D.C. 20201, concerning an alleged failure of the COOR Intermediate School District to comply with the requirement of the Act.

**VOLUNTEERS ARE SPECIAL**—Alice Moore, Reading Room Volunteer for the Grayling Elementary School, is shown here working with student, Tammy Stein. Mrs. Moore is using a Tutorgram which is used to help students improve their vocabulary development. Mrs. Moore has been involved in the volunteer program for the past 8 years. She has during that time worked with hundreds of elementary children on an individual basis. The aspect of volunteering she finds most rewarding is watching and helping children improve their skills. According to Mrs. Moore, "At the end of the year, it is gratifying to compare each student's progress and know you've been a part of that progress."

Alice lives with husband, Keith, and their four children in Karen Woods. She is a licensed Practical Nurse and works as a sub in the local doctors' offices. Besides volunteering for the school, she enjoys working on ceramics, swimming, and snowshoeing. As you can see Alice is a "special person."

For further information about the volunteer program in the schools call Cheryl LaDuke at 348-7641 ext. 52.

**VALENTINES PARTY HELD**—The Frederic Kindergarten's 1st Valentines Party was a busy one. With the help of Mrs. Hoover and Mrs. Vollmer the children made Valentines for their parents, decorated cookies and had a delicious lunch. After lunch the Kindergarten students enjoyed a play written by Angela Howe and presented by Angie Piehl, Angela Howe, and Lori Bergey. The day ended by the passing out of Valentines and 20 tired children going home.

### K.C.C. Offering Law Enforcement Course

Collecting Physical Evidence is the title of an In-Service Training Course scheduled to begin on Thursday, March 13, 1980 at the Crawford County Building in Grayling. The course is sponsored by Kirtland Community College through the cooperation of the Michigan Law Enforcement Officers Training Council (MLEOTC).

The 16-hour course will run each Thursday for four weeks from 6:30 p.m. to 10:30 p.m. The course is one of a series planned by the college to aid police officers in a comprehensive training program. For each completed, a student will receive one college credit applicable toward a degree in law enforcement. In addition, for each course completed, each certified officer will receive 16 hours credit toward a MLEOTC Advanced Law Enforcement Officer's Certificate. An application fee of \$5.00 is required of all NEW students.
